\*If this enrollment information changes during this academic year, you must provide written documentation of the changes to the Financial Aid Team so your Federal Stafford Loan eligibility can be reviewed and adjusted if necessary.

Please provide our office with copies/proof of any other form of financial assistance that you receive (i.e.: private scholarships, other loans, Staff Tuition Benefits, Veteran’s Benefits, Vocational Rehabilitation, SAU Assistance, etc). We **do not require** copies of any PSU Graduate Assistantships, Fellowships or Internships that you may have been awarded.

First-time PSU Federal Stafford Loan borrowers must complete an **Entrance Loan Counseling** session as required by the Department of Education. This session may be completed online at: [www.mapping-your-future.org](http://www.mapping-your-future.org) and clicking on the “Stafford & Perkins COMBINED” Entrance Counseling icon.

Once PSU has electronically certified your Federal Stafford Loan, you will be notified by your guarantor to complete and sign a Master Promissory Note (MPN). The MPN is a legal document confirming your promise to repay the Federal Stafford Loan.

Once completed, you may access your Financial Aid Award information in myPlymouth
