Plymouth State University
College of Graduate Studies
APPLICATION MATERIALS
Dear Candidate,

Plymouth State University welcomes your application to the College of Graduate Studies. The graduate programs promote a rich learning environment where dedicated and engaged faculty members will prepare you to achieve your personal and professional goals. As a graduate student, you are considered a vital member of PSU’s collaborative learning community.

The College of Graduate Studies offers Master of Arts (MA), Master of Arts in Teaching (MAT), Master of Business Administration (MBA), Master of Education (MEd), Master of Science (MS), Certificate of Advanced Graduate Studies (CAGS), and Doctor of Education (EdD) degrees, and educator and professional certification programs. Courses are held in a variety of formats, including face-to-face, fully online and blended (a combination of online and face-to-face) at locations throughout New Hampshire.

Plymouth State University has been recognized as one of the “Best in the Northeast” by The Princeton Review, has been listed as “one of the top 50 regional programs” by Entrepreneur magazine, and is accredited by national, regional, and state agencies.

We look forward to receiving your application materials. Please contact the College of Graduate Studies if you have any questions or concerns about the application process.

George Tuthill, PhD
Interim Associate Vice President
Application Materials

In addition to possessing a baccalaureate degree from an accredited four-year institution, graduate applicants must meet the appropriate academic department criteria to be eligible for admissions consideration. Please refer to the relevant program descriptions available at plymouth.edu/graduate. To apply for study in the graduate program, applicants are required to submit all of the items below:

☐ A completed, signed, and dated application for admission. Note: EdD candidates must submit the online application.
☐ Official transcripts that verify that a baccalaureate degree was completed. In addition, please request transcripts from any other college(s) or universities attended. All transcripts must be sent directly from the institution to the College of Graduate Studies.
☐ Official score report from the Graduate Record Examination (GRE) (MS in Applied Meteorology, MS in Biology, MS in Environmental Science & Policy and MA in Historic Preservation only). Scores from PRAXIS I are required for applicants applying to an Educator Certification only program (no degree) who do not already have a master’s degree. An admissions test is not required for the MA in Personal and Organizational Wellness, MAT, MBA, MEd, MS in Athletic Training, MS in Clinical Mental Health Counseling, MS in Science Education, CAGS, or EdD programs, or from applicants who already hold a graduate degree.
☐ A statement of interests and intent. CAGS and EdD applicants must also submit a professional writing sample.
☐ A professional résumé or curriculum vitae
☐ Three recommendations from past or present supervisors, professors, or colleagues. Use the recommendation forms provided at the end of this application. All recommendations should be mailed directly to the College of Graduate Studies by the individual providing the recommendation.
☐ Complete and have notarized the New Hampshire Residency Confirmation Form (Non-NH residents do not need to complete this form).
☐ A nonrefundable application fee: CAGS and EdD applicants $100, master’s and certification applicants $75
☐ Enclose a photocopy of alien registration card, if applicable
☐ Certain degrees have additional admissions requirements or program prerequisites. Contact the program coordinator for further information.
☐ Counselor education, CAGS, and EdD candidates must arrange an admissions interview with the respective program counselor. Please call (603) 535-2636 to schedule an interview.

ADDITIONAL REQUIREMENTS FOR INTERNATIONAL STUDENTS
If you do not possess a permanent visa with an Alien Registration number, you must also submit the following documents:

- Proof of English language proficiency. If you’re from a country where English isn’t the primary language, you must provide evidence of English proficiency. The University accepts the following methods of proving English language proficiency:
  - TOEFL (Test of English as a Foreign Language) test scores (minimum scores: 550 paper-based; 213 computer-based; 80 internet-based)
  - IELTS (International English Language Testing System) scores (minimum score: 6.5) (IELTS exam not accepted for Language Education applicants)
  - ELS Level 112 scores
- Verification of finances. Documents, including bank statements and other financial documents dated within the past 30 days, that confirm that you have the financial resources to study for a year at Plymouth State, and/or an I-134 Affidavit of Financial Support form must be submitted to the College of Graduate Studies. Applicants must also complete and have notarized the Plymouth State University International Graduate Student Certification of Finances form. Plymouth State will issue a Certificate of Eligibility (I-20) based upon documented evidence that funds exist to cover your expenses for one academic year. Regulations limit the employment of non-immigrant international students and their families; therefore, employment cannot be considered as a means of support while you are enrolled at Plymouth State.
- Passport. A copy of your valid passport must be included in the application materials.
- Educational Documents. Official, notarized transcripts that verify that you’ve completed a baccalaureate, master’s degree, or both were completed, must be translated into English and evaluated for institutional equivalency. There are many companies which provide this service. Two we often recommend to students are: The Center for Educational Documentation, World Education Services.

COMPLETING AND RETURNING THE APPLICATION

- Complete all sections of this application.
- Type or print legibly in black or blue ink.
- International students must use their international address when responding to permanent legal address.
- Type and submit a 200-500 word statement of interests and intent. In your statement, first explain your motivation for pursuing graduate studies at PSU. Second, indicate your academic area(s) of interest and how your intended program relates to your personal and professional goals. Please place a header on each page with your name and date.
- Include a check or money order made out to Plymouth State University, or provide your credit card information for the application fee.
- Send the completed application and supporting documents to: College of Graduate Studies, MSC 11, Plymouth State University, 17 High Street, Plymouth NH 03264-1595.

All applications for admission become part of Plymouth State University’s permanent records and will not be returned. Access to this material is limited under the Family Educational Rights and Privacy Act (FERPA) of 1974. Materials received as part of the application process will not be duplicated for personal use by the applicant nor forwarded to a third party.

Residency Information

For the purpose of assessing tuition and fees, each student shall be classified as a New Hampshire resident or a Non-New Hampshire resident. A person shall be classified as a New Hampshire resident if she or he has resided in the state of New Hampshire for purposes other than attending an educational institution for 12 months immediately preceding the student’s entry or re-entry. Physical presence for this entire 12-month period need not be required as long as the conduct of the individual, taken in total, manifests an intention to make New Hampshire the permanent dwelling place. Reside, residency, or resident shall refer to domicile, i.e., a person's true, fixed and permanent home, or place of habitation, where she or he intends to remain permanently.

Proof of residency will be decided based on all facts submitted with qualitative rather than quantitative emphasis. The burden of proof rests on the student seeking classification as a New Hampshire resident. Any student who previously attended Plymouth State University, paid out-of-state tuition, and now claims New Hampshire residency should contact the College of Graduate Studies to have resident status verified prior to registering for any coursework.

Misrepresentation in, or omission of, any evidence submitted with respect to any fact which if correctly or completely stated would be grounds to deny classification as a New Hampshire resident, shall be cause for exclusion or expulsion from, or other disciplinary action by, Plymouth State University.

Please note: All New Hampshire residents must complete and have notarized the New Hampshire Residency Confirmation Form.
