

New Hampshire Residency Confirmation Form

All New Hampshire residents must complete and have notarized one of the statements below regarding domicile. If neither is appropriate, please attach a notarized statement detailing all facts upon which your claim for New Hampshire domicile is based. If you are claiming New Hampshire domicile but are not currently living in the state, be certain to explain the circumstances that require you to live elsewhere.

Payment of property or residency taxes does not in itself constitute the basis for a claim to legal domicile. New Hampshire residents who are military personnel on assignment outside the state and who are applying for admission, or have dependents doing so, should submit a statement establishing that they entered the armed forces from the state of New Hampshire. This statement should be certified by a commanding officer.

Graduate students who are claimed as dependents and whose parents are divorced or legally separated where one, and only one, of the parents is domiciled in New Hampshire, are advised to have that parent confirm through a notarized letter her or his status as a New Hampshire domiciliary. In addition, we must receive documentation from that parent which confirms either her or his legal custody of the student or that she or he provides more than one half of the student's total financial support. Visit usnh.edu/olpm/BOT/IV.Fin/F.htm for a detailed description of the University System of New Hampshire's Classification of Students for Tuition Purposes (Residency Rules).
