##Includes Undecided

Notes:

Counts include students on approved Study Away.

Programs with options are shaded. Programs discontinued in the last academic catalog are in italics.

Option counts are sum of first, second, and third options on first major.

Undergraduate students may declare two majors and, where available, up to three options per major.

Options on second major recorded beginning Fall 1994. Option 3 on each major recorded beginning Fall 1996.

*Not an official major or option; designates students who have applied to the major or option but are not yet officially accepted.

** Formerly Community and Regional Planning, formerly Local and Regional Planning

Effective Fall 2004, students adding teacher certification to an awarded Bachelor's degree are counted with graduate students.

+ Formerly Applied Computer Science
