Put "Your" Money to "Future" Good Use!

Have a refund coming?

If that Refund is the result of a loan and you don't need it for rent, books, or food (etc..) ask the Financial Aid Office to send some (or all) of the credit back to your lender! Save yourself a huge (and unhappy!) surprise down the road when you receive your first student loan bill. For the majority of loans, interest will start accruing when the school receives their payment...so not only will you have to pay back what you originally borrowed, but you'll owe even more! Give yourself a gift for your future... minimize student loan debt today!!

REFUND Fall Refunds will not be available until **Sept. 10th**. If you are eligible, a "refund request" button will automatically appear on your online bill. Simply complete the online form for direct deposit. In order to receive your refund by the 10th, **your request must be made by 4P.M. on Tuesday, Sept 7th**.

BOOKS, BOOKS, BOOKS

Do you need money for books before refunds are available? Visit www.plymouth.edu/bursar/flexcash to find out how you can purchase flexcash through your pending or actual overpayment on your tuition bill to use at the Campus Bookstore.

Financial Tip:

Learn About Taxes What? I know, this isn't a fun one. However, hopefully you're going to go from a poor college student to an highly paid worker. Educate yourself about taxes, and you'll be able to take advantage of incentives and deductions to cut your tax bill.
