

Plymouth State College Factbook

**Undergraduate Majors by Class, Fall 2001**

At census date (R+30). Includes students confirmed at Plymouth and those on approved study away. Programs with options are shaded. Programs inactive in the 2001-2002 catalog are in italics.

N. B. First and second major declarations are included in the totals for the major. *When there are options, each option declaration is counted separately, so the total number of option declarations may exceed the total of majors.* Second majors are relatively rare (30 students this term), but multiple option declarations are common.
