

Plymouth State University Factbook

Undergraduate Majors by Class, Fall 2003

At census date (R+30). Includes students confirmed at Plymouth and those on approved study away. Programs with options are shaded. Programs discontinued in the last academic catalog are in italics.

N. B. First and second major declarations are included in the totals for the major. *When there are options, each option declaration is counted separately, so the total number of option declarations may exceed the total of majors.* Second majors are relatively rare (40 this semester), but multiple option declarations are common.
