ETC understands that all PSU Theatre Majors will also be auditioning for "Trojan Women" and expects that there will be some Theatre majors who may need to drop out of ETC after Theatre Department auditions are completed so we have cast numbers accordingly.

ETC highly supports and endorses the important work of the PSU Theatre Department and respects those choices.

All that we ask is that you please email Trish at plindber@plymouth.edu if you decide not to participate with ETC this January.
