\* Depends on AN/EC/GE/HI/SO elective. Students must take a foreign language which will satisfy the **Global** Perspective. **Scientific** Perspectives must be completed by either taking courses in 2 different disciplines and taking a **S-Lab** with 1 of those courses, or by taking 2 consecutive semesters of lecture and 1 semester of lab in a year-long science course. **Upper-division** Requirement is completed outside the major discipline. Neither the **Writing** course nor the **Integrative** Component can be satisfied with transfer credit; they must be taken at Plymouth. 2.50 GPA required in PO courses.
