SLAB Scientific Perspective	4				
SPSY Social and Psychological(not PS)	3				
TECH Technological Perspective	3				
Electives	10				

1000 level courses do not count toward the major. Advanced study, such as a semester abroad or in a French speaking community or a total immersion program is required for teacher candidates. **Scientific** Perspectives must be completed by either taking courses in 2 different disciplines and taking a **SLAB** with 1 of those courses, or by taking 2 consecutive semesters of lecture and 1 semester of lab in a year-long science course. **Social and Psychological** Perspectives must be completed in 2 different disciplines. Neither the **Writing** course nor the **Integrative** Component can be satisfied with transfer credit; they must be taken at Plymouth.
