The TESOL Certificate program is offered through the Frost School of Continuing and Professional Studies. It is open to matriculated (degree-seeking) Plymouth State University students and to continuing education students. The Certificate does **not** provide TESOL certification.

Certificate courses are offered in a sequence beginning with LL 2000, which must be taken first. Anyone earning the Certificate could apply the credits earned in the Certificate toward a degree at Plymouth State University. The Frost School tracks Certificate students' progress and with the Department Chair or designee, provides advising.

A minimum cumulative grade point average of 2.00 in the Certificate is required. Completion of all requirements is determined by the Degree Auditor. Certificates of Completion are issued by the Frost School. Transcripts stating completion of the Certificate are issued by the Registrar's Office.

Completing the TESOL Certificate does **not** equal completion of State certification/endorsement in TESOL K-12.
