The *foreign language* requirement for all BA degrees calls for 0-8 credits: one year of one language (6-8 credits); or one 3000/4000 level world language course (3 credits); or being a native speaker of a language other than English (zero credit). American Sign Language I and II fulfill this requirement; however, American Sign Language does **not** satisfy the Global Awareness Connection.

A minimum of 24 credits in the major must be completed at the 3000/4000 level.
