Complete <b>eight</b> credits of PH courses:	8	Note: physics minor <b>starts</b> with PH 2410.			
PH physics course					
PH physics course					
PH physics course					
PH physics course					
PH physics course					
Complete <b>seven</b> credits of <b>upper</b> level PH courses:	7	Note: At least <b>seven</b> credits of physics courses should be taken at the 3000/4000 level.			
PH 3000/4000 physics course					
PH 3000/4000 physics course					
PH 3000/4000 physics course					
PH 3000/4000 physics course					

Calculus should also be taken as it is a prerequisite for some of the courses. It is also recommended that students contact the Chair of the Department.

*Note 1: Students with a minor must complete six credits of upper-level courses outside the major discipline.*  
*Note 2: For a second or subsequent minor, at least nine credits must be different from the major or the first minor.*
