1. What aspects of the gathering seemed most interesting and useful to you?
   ● Got right to talking about related topics
   ● The many varied projects that people are thinking of and that I might be able to get involved with

2. Do you plan to take any action as a result of attending this gathering?
   ● Not immediately. Very open to hearing from others

3. What impact did your participation in this event have on your thinking?
   ● I have helped myself to know where I might fit in

4. What recommendations do you have for the workshop facilitator/presenter or for CETL staff to help us improve such events in the future?
   ● Very good. No recommendations at this point
