Campus-Wide Surveillance Testing (PCR)

- Purpose: COVID-19 Testing is for students and employees who work, live, learn on campus. See calendar for testing location – this location may vary by date.
- Please watch your emails and review PSU's COVID19 website for specific information regarding PCR testing.
- **Pease do NOT come to the HUB if you have symptoms, go to Health Services.**

*****Please know that this calendar is fluid and subject to change based on state, local, and federal public health recommendations as well as campus conditions.*****
