Campus Surveillance Testing (PCR and BinaxNow Positives)

- Purpose: COVID-19 Testing is for students and employees who work, live, learn on campus. See calendar for testing location – this location may vary by date.
- This testing is completed via PCR or BinaxNOW Rapid Testing.
- Please watch your emails and review PSU's COVID19 website for specific information regarding BinaxNow testing.

Health Services Rapid Testing

- Rapid testing is available for symptomatic individuals. If you are symptomatic, please make an appointment with Health Services at (603) 535-2350 to schedule a COVID-19 test.
- Any campus surveillance testing is for individuals who are **NOT** symptomatic. **If you have symptoms, please do NOT come to campus surveillance testing.** Make an appointment with Health Services.

Quarantine Testing

- Quarantine testing is intended for students and staff that are in quarantine. This includes being identified as a close contact to a positive COVID-19 case. *This testing **must be scheduled** via a RRT member or a member of the COVID-19 Testing Team.

*****Please know that this calendar is fluid and subject to change based on state, local, and federal public health recommendations as well as campus conditions.*****
