

**Plymouth State University**  
**Trigger Point Status**  
**1/22/2022**

Response decisions are considered holistically, as a totality of the circumstances, with the exception of a New Hampshire Stay at Home Condition and the PSU use of quarantine and isolation capacity. Certain data elements may come from the PSU Dashboard, <https://covidactnow.org/state/NH?s=1419390#explore-chart>, <https://www.nytimes.com/interactive/2020/us/new-hampshire-coronavirus-cases.html>, <https://www.nh.gov/covid19/dashboard/map.htm>, and other data provided by the State of New Hampshire.
