You must submit this application with your non-refundable deposit by April 30 for summer/fall programs and before November 15 for winterim/spring semester programs*

*Please note that some study abroad programs may have earlier application deadlines so be sure to check the specific requirements of the program you are applying for. A study abroad advisor will be assigned to you when you submit your application at the Global Education Office at Bagley House with the application fee.

Eligibility Criteria:

To participate in a PSU- approved study abroad program, you must have a cumulative GPA of 2.50 at the time of application; at least 12 full-time credits completed at PSU; and must have attended and earned at least a 2.0 GPA the semester prior to application. In addition, our partner study abroad providers and host institutions may have higher GPA requirements. All of our off-campus programs require that you be in good financial standing and your judicial record be reviewed prior to approval. Newly admitted transfer students to PSU will need to meet additional criteria and should schedule a meeting with a study abroad advisor before beginning the application process. Students who have been on medical leave or military duty should provide additional information within their personal statements explaining their leave of absence from the PSU campus.

Administrative Fees for ALL Study Abroad Programs:

A non-refundable study abroad fee is required and must be paid with the submission of this application by the stated deadlines. For fall and spring programs, a \$300 fee applies and, for winterim and summer programs of 1-9 credits, a \$100 fee applies. This fee can be paid on-line: https://quikpayasp.com/usnh/psc/commerce_manager/payer.do?orderType=GEO-Study Away Application Please carefully review the refund and cancellation policies for your study abroad program. Confirmation deposits paid directly to PSU study abroad providers typically are not refundable. Upon acceptance, you should meet with a study abroad advisor immediately to review your financial commitment.

PSU requires students to purchase comprehensive international medical insurance for the number of months (at \$37 per month) students are abroad on PSU - approved programs. Details on specific insurance coverage terms are available at the Global Education Office website. If adequate comprehensive insurance is included in your study abroad program fee, you will **not** be required to purchase the CISI insurance policy. Your study abroad advisor can provide guidance on this very important issue.
