

International Student Services

- **Center for Global Engagement** - lounge/study space where many programs are held
- **Conversation Partners** - matches international students with native English speakers to improve their English language skills
- **Language Circle** - international students have an opportunity to teach their language to the campus community
- **Global Ambassadors** - leadership programs for students that give the opportunity to work with our international students
 - **International Student Association** - student led campus club
- **International Student Orientation** - extensive orientation program with immigration information, cross-cultural awareness activities, health and safety information, academic resource information, and opportunities for social and recreational activities.
