Petition for Graduate Certification or Specialist Credential Eligibility

If you anticipate completing your graduate degree at the same time as your Educator or Specialist certification endorsement, please submit only a Petition for MA, MAT, MBA, MEd, MS, CAGS and EdD Degree Conferral form; you do not need to complete this form as well.

This petition form is required to initiate an audit of your certification requirements and to process your certification endorsement. To avoid delays, please submit this form at least one term prior to your anticipated completion date.

Once all final requirements have been completed and verified, PSU will endorse you for certification and a statement of completion and accreditation will be reflected on your PSU transcript. The PSU Office of Teacher Certification will be notified at that time to initiate the licensure process through the NH DOE. This process is online and you will be notified through your PSU e-mail account once this process is complete.

Please print your name exactly how it should appear on the certification paperwork:
