

Summer Camps: The White Mountains
Roots of an Iconic American Experience

Activity D

NAME _____

Campfire Stories – Letters Home

Choose a Camp from the list on the wall under the “Cabin” sign. Pay particular attention to materials from that camp while exploring the exhibit. Pretend you went to this camp and write a letter home to your family. What did you do at camp? Did you make any new friends? Did you meet any counselors you look up to? Did you make anything in woodshop? Did you go swimming or hiking? Did you enjoy it? Take this time to write creatively about anything you might have done (or would have liked to do) if you attended the camp. If you can’t think of anything to write about, try looking at photos or videos in the exhibit for ideas.

Dear _____,
