**Campfire Stories – Scavenger Hunt**

Try to find the following things while exploring the museum.

- Find the American Indian's canoe. What was he doing in his canoe? Can you guess what his dinner might be? (Hint: you can answer these questions by looking inside his canoe!)
- Can you find Chief John? (Bonus: Chief John has something to say... can you spy where it is written? This one is very hard!)

- There's a sea monster in Newfound Lake! Can you find him? (Hint: try matching the colors to something in the gallery.)

- Can you find the picture of Babe Ruth? (Hint: he was a famous baseball player, but he could play golf too!)

- Can you find this metal tag? What object is the metal tag on? (Hint: sit down and look up!)

- This Boy has a sour face! Did he not want to go to camp, or did he not want to leave? Find him in one of the photos.

- How many animals can you find in the exhibit? (I found 37, see if you can find more!)
- President Roosevelt went to Groton School Camp and carved his initials there. Can you find his initials (FDR) here at the museum? When you find them, add your own initials.
