

Figures in Motion

Drawing I
Mrs. Boyle

Objective: To create an interesting drawing of a teenager in a specific space (predetermined size drawing paper) that will be presented as a whole. The figures should have a strong sense of motion and emphasis on texture, space, movement and contrast.

Requirements:

- Students must work off of an original photo reference
- Students may work with any of these materials or a combination of them
 - Graphite, Pen, Colored Pencils, White Charcoal, and Markers

References:

- Past student work
- Artist: Robert Longo's *"Men in the Cities"*
