Intern Observation

Teacher Candidate:		Setting: Gymnasium		Learning Experience:				
Observation		Time:		Date:				
Observer/Evaluator (circle): University supervisor		Mentor		Grade:				
<p>The rating scale below (Levels of Competence) will provide guidance for quantifying the demonstrated competencies on the teacher candidate. For each section, CIRCLE/Underline the level of competence demonstrated by the teacher candidate and WRITE COMMENTS in the space provided. Be sure to indicate any areas not evident during observation.</p>								
Teaching Performance Levels – Levels of Competence								
Rating	Description	Rating	Description					
NA (U)	Did not observe or Not Applicable	2 (U)	Appropriate teaching behaviors are beginning to emerge, but are inconsistent					
0 (U)	Performance represented a complete lack of understanding of appropriate teaching behaviors	3 (A)	Appropriate teaching behaviors are evident and consistently demonstrated					
1 (U)	Some understanding of appropriate teaching behaviors is evident, but very limited	4 (T)	Teaching behaviors are consistently excellent.					
(U) = Unacceptable; (A) = Acceptable; (T) = Target								
I. Start of Class: Facility is set-up; safety issues addressed, starts on time, entry into gymnasium/classroom, attendance, <i>warm-up</i> , pre-instructional activity, distribution of equipment/supplies are all taken care of effectively and efficiently. There is a clear review of and connection made to previous lesson(s). b3c -1,2,3			4	3	2	1	0	NA
Comments:								
II. Lesson Presentation: DOE d 1-10, g 1-5, h1-3								
▪ Clearly identifies lesson standards/guidelines/objectives and task(s),			4	3	2	1	0	NA
▪ Demonstrates accurate and effective skills (peer, video, teacher)			4	3	2	1	0	NA
▪ Demonstrates knowledge of skill (s)			4	3	2	1	0	NA
▪ Demonstrates knowledge of concepts			4	3	2	1	0	NA
▪ Incorporates detailed and appropriate skill and concept progression/s (<i>skill analysis</i>).			4	3	2	1	0	NA
▪ Provides meaningful, developmentally appropriate practice tasks			4	3	2	1	0	NA
▪ Designs instruction to be inclusive and provides appropriate challenge levels for all students			4	3	2	1	0	NA
▪ Uses clear, specific teaching cues			4	3	2	1	0	NA
▪ States clear goal for students practice			4	3	2	1	0	NA
▪ Checks for understanding at multiple points throughout lesson			4	3	2	1	0	NA
▪ Incorporates diverse instructional strategies (teacher directed / student directed)			4	3	2	1	0	NA
▪ Uses tone, volume and clarity of voice which are appropriate to the situation			4	3	2	1	0	NA

▪ Uses appropriate vocabulary and grammar	4	3	2	1	0	NA
▪ Avoids word repetition, use of fillers, excessive verbiage, etc.	4	3	2	1	0	NA
Comments:						
III. Management: Students know where to go and what to do; smooth transitions between activities; maintains lesson flow with appropriate reactions to disruptions; recognizes those “being good”; uses time efficiently; maximizes participation; uses available equipment/supplies and space effectively and efficiently. DOE C 1-6	4	3	2	1	0	NA
Comments:						
IV. Feedback: DOE g 2 c						
▪ Uses various types of appropriate feedback (verbal, non-verbal; to individual/groups; per-trial; faded; summary)	4	3	2	1	0	NA
▪ Provides ample specific, neutral, positive feedback	4	3	2	1	0	NA
▪ Provides feedback at various times in the learning process	4	3	2	1	0	NA
▪ Provides knowledge of results; knowledge of performance; and augmented feedback at appropriate times	4	3	2	1	0	NA
▪ Links to lesson objectives	4	3	2	1	0	NA
Comments:						
V. Supervision and Class Control: Moves around area, positions self where a majority of students can be seen (Back to Wall); is aware of all students; prevents misbehavior by using appropriate management; identifies behavior plan/rubric; praises appropriate behavior. DOE C5,6	4	3	2	1	0	NA
Comments:						
VI. Teaching/Learning Climate: instructs with enthusiasm, engages students; uses equitable language, works toward a learning environment favorable to open inquiry, devoid of ridicule; avoids stereotyping; uses effective strategies to deal with inappropriate remarks made by others, shows respect for students and promotes student respect for one another. DOE C 1	4	3	2	1	0	NA
Comments:						

<p>VII. Assessment: Uses appropriate ongoing informal and formal assessment techniques; assessment methods take into account individual differences; students provided with assessment criteria prior to lesson; students provided with adequate practice to improve learning; assessment imbedded into instruction; standards-based; interprets results in order to improve instruction, identifies level of student performance and progress towards objectives and standards/guidelines (assessments linked to objectives); assesses own lessons during and after completion and makes appropriate adjustments. DOE e 1,2,3, h3</p>	<p>4 3 2 1 0 NA</p>
<p>Comments:</p>	
<p>VIII. Closure: Efficient collection of equipment/supplies; reviews lesson (content/concepts) with student and establishes connections to lesson objectives/standards/guidelines; uses demonstration; checks for understanding; states what will happen in next lesson; includes, when necessary, announcements: reminders (homework, etc.); special events, etc. conducts orderly dismissal. DOE C1a,b,c and 2, 3</p>	<p>4 3 2 1 0 NA</p>
<p>Comments:</p>	
<p>IX. Lesson Planning: Identifies standards and guidelines; relates clear objectives to standards; uses detailed lesson plan/s; incorporates sound progression of learning activities; provides meaningful, developmentally appropriate practice tasks; designs instruction to be inclusive and provides appropriate challenge levels for all students; uses language appropriate to age and development; fosters students' creative and critical thinking; specific questions that will be used for 'checking for understanding' are included. DOE a 1-6, b 1-3, d 1-10</p>	<p>4 3 2 1 0 NA</p>

<p>Suggested Improvement Goals:</p>	

After review of this observation, the intern should attach a reflection/response to Observation and identify specific strategies (in consultation with Mentor) to address suggested improvement goals. This should be sent to PSU University supervisor within one week of observation date.

PSU University supervisor Signature (if primary observer):	Date:
Intern's (either signature or electronic signature is acceptable):	Date:
Mentor's (either signature or electronic signature is acceptable):	Date:

Signature or electronic signature implies this observation has been read and discussed between university supervisor and mentor.
