DO IT IN THE DARK

It's that time of year again! Compete against your fellow Resident Halls in the ultimate competition -Do It In The Dark! The Office of Environmental Sustainability is

running this annual energy competition October 1st through December 1st. To compete all you need to do is turn off and unplug computers, appliances and other such items when they are not being used, and turn off the lights when you leave your room and lights in the various common areas. The Residential Hall that can conserve the most energy during the competition will **win half-priced** laundry for one month. The competition is to raise awareness of energy conservation and teach energy saving practices that can be used outside of the university.

WANT TO UNDERSTAND FINAID OR HELP MANAGE YOUR FINANCES?

The U.S. Department of Education recently debuted an interactive tool called Financial Awareness Counseling on www.studentloans.gov! This is an online interactive financial management resource which allows students to access their current debt information and estimate post-graduation debt levels. When using the tool, students can now understand their loan debt, manage their budgets, learn about plans to repay, how to avoid default, and make finances a priority.

HAVING TROUBLE WITH YOUR WIRELESS CONNECTION?

If you are struggling with your PSU internet connection please contact **ITS Helpdesk** by email or phone.

- helpdesk@plymouth.edu
- 603-535-2929

Also if you conduct a speed test at either of these websites it will make it easier to assess how slow the connection is. ITS may then be able to help you more effectively.
