

Loon Lake University Camp

1. The Loon Lake camp season begins in May and ends in early October, weather permitting.
2. The Camp, located at Loon Lake, is available to administrators, faculty, staff, alumni and student organizations. Camp use is limited and a permit is required. [Loon Lake Camp Use](#)
3. All faculty, staff and alumni are welcomed to submit reservation requests via the Loon Lake camp link located on the Physical Plant website. All requests are entered into a lottery-style process in April and the available weeks will be allotted to faculty, staff and alumni in this manner. Those interested in reserving the camp as part of a PSU program should contact Physical Plant prior to April of each year.
4. Persons using the camp should help enforce the ruling that this is a private beach for the use of registered University members and their guests **only**. Dependents must be accompanied by a staff person.
5. When all official University needs are met the camp may be reserved by staff families for a period not to exceed one week. To help defray the maintenance costs for the camp a charge of \$250.00 per week will be made.

(A WEEK BEGINS AT 4 PM ON FRIDAY AND ENDS AT 10 AM THE FOLLOWING FRIDAY)

6. All users must take great care to see that fires are thoroughly extinguished and all doors and windows are securely fastened upon leaving.
7. The camp must be cleaned by the user. This includes appliances, bathroom, floors, etc. All waste and garbage must be removed from the property by the user and the camp grounds should be cleaned of trash before you leave. Please be considerate of the next patron and leave the facility on time and in good condition. (A \$25/hr fee will be assessed if camp is not left clean)
8. The driveway serves as a right-of-way to adjoining camps. **DO NOT PARK IN THE DRIVEWAY.**
9. Common decency and courtesy prevail in any use of this area. No large parties or gatherings are allowed as the camp is in a quiet residential area.
10. No external noise after 8 PM to respect the rights of the neighbors. No large parties or gatherings are allowed as the camp is in a quiet residential area.
11. The camp cannot be sublet or given to any relative or extended family member, i.e.: outside groups.
12. A canoe is available at the camp for your use. Please make sure to secure the cabin and all outside equipment (canoe, grill, etc.) when not on site or in use.
13. **Please shut off all electrical power when you leave especially the water pump breaker switch located in the downstairs bed-room.**
14. **No open flames outside other than in a B-B-Q Grill.**
15. CAMP USE PERMIT must be at the camp available to present during the reservation period. *Reminder: College Advisors, Faculty/Staff & Lottery Winners must be present at all times during the reservation. University Police will patrol the camp location for safety/security purposes.
