

Final Examination Schedule for Fall Semester 2014

If you are scheduled for a class with a meeting time that does not appear below, please contact your instructor for details about final examination time and location. It is the responsibility of the instructor and department to make room arrangements for classes that meet outside the normal course time blocks.

A student with a conflict or more than two examinations on the same day may negotiate an alternative time with the appropriate faculty member.

Classes that meet on TR from 5-6:15 PM must meet two days for the final exam, or seek an alternative room (if available) from the appropriate department administrative assistant.
