The charge for on-campus housing is $129.00 for the entire Winterim term (January 1 – January 25, 2015)

You must return this application with full payment to the Student Account Services office before October 27 and December 12 to avoid being assessed a $25.00 administrative fee.

IF YOU MAKE YOUR WINTERIM HOUSING PAYMENT ONLINE YOU STILL MUST COMPLETE THIS APPLICATION AND RETURN IT TO THE STUDENT ACCOUNT SERVICES OFFICE (Speare Building 108).

Bills are considered paid if they are paid in full by an out-of-pocket payment (cash, check or credit card) or if your balance will be covered by approved (certified) financial aid. Please note that a pre-approved loan is not sufficient for considering a bill paid on the due date. If you are depending on loans to pay your bill, you must file your application(s) early and communicate often with the Financial Aid office.

No refunds will be given for Winterim fees unless the student cancels the reservation by January 2, 2015.

Winterim housing is only available to students who are living on campus during the fall 2014 semester. In addition, if you are not taking a Winterim class you must be signed up to live on campus for the spring 2015 semester.

Please indicate your FlexCash and/or housing choice with a check mark.

Winterim Guidelines

1. Winterim is a time of concentrated study. I agree to respect everyone’s rights to a quiet atmosphere and to abide by 24-hour quiet hours.

2. I realize that residential housing is for individuals involved in academic endeavors. Those individuals staying for other reasons may be asked to leave if found in violation of policies.

3. I will not host or allow guests in my place of residence without following the guidelines listed below.
   a) Guests are not allowed to stay extended periods of time (in most cases not more than 48 hours).
   b) All guests must abide by University policies and are the host’s responsibility. The host must accompany guests at all times.

4. Failure to comply with the above policies and/or any other University or Residential Life policies may lead to the cancellation of my Winterim contract and will require follow up through the student conduct process.

5. I understand that staffing is at a minimum during the non-academic period. I am aware that the Residential Life staff may not be available to me for assistance. I may need to contact University Police (911 for emergencies, 603.535.2330 for non-emergencies) for assistance related to community concerns, maintenance concerns, and/or lockouts. If I am locked out of my room/apartment and call for assistance, I may need to wait for a period of time until the Residential Life staff member or duty officer is available to assist.

6. University Apartment residents who have submitted this application and appropriate payment may stay in their apartment from December 19, 2014 through January 25, 2015. You must visit the Centre Lodge office during the fall semester exam week to check out for fall and check-in for Winterim.

7. Langdon Woods residents may keep their keys but must still check out before leaving at the end of the semester. You may not return to the building until 3pm on Thursday, January 1, 2015. Please see the building staff for specific instructions.

8. Residents of all other areas must turn in their keys before leaving for Winterim and check in at their residence hall for Winterim between 3pm & 6pm on Thursday, January 1, 2015. Check in after January 1 will be at the Office of Residential Life, Monday – Friday, 8:30am to 4:30pm.
