Plymouth State University CURRICULUM PLANNING GUIDE with APPLICATION of TRANSFER CREDIT

LRCC students coming to PSU must have grades of C or better in each of their courses and a minimum 2.0 cumulative GPA in order to transfer into the PSU BA Art, Studio Art Option.

LRCC students who have completed the AA degree in Fine Arts with one course with a grade of C- or below, may retake that course during the summer preceding entrance to PSU and still be accepted at PSU under this 2+2 agreement, if she/he earns a grade of C or higher.

LRCC students who complete the AA degree in Fine Arts will need to take at least three more General Education classes (Self and Society Direction, Diversity Connection, Wellness Connection), the foreign language requirement, and the third and fourth year coursework for the BA Art, Studio Art Option.

Advisors at LRCC will work with students to make sure that their English, Science and Social Science Electives will transfer in as a Direction course at PSU and that their Mathematics elective will satisfy the PSU Mathematics Foundations

If a LRCC student has not completed the AA degree in Fine Arts, then courses will be transferred in on a course-by-course basis. See Transfer Agreement.
