RVCC students coming to PSU must have grades of C or better in their courses and a minimum 2.0 cumulative GPA in order to transfer into the PSU BA in Criminal Justice.

RVCC students who have completed the AS degree in Criminal Justice with one course with a grade of C- or below, may retake that course during the summer preceding entrance to PSU and still be accepted at PSU under this agreement, if she/he earns a grade of C or higher.

RVCC students who complete the AS degree in Criminal Justice will need to take at least four more General Education classes (Creative Thought Direction, Past and Present Direction, Scientific Inquiry Direction, Wellness Connection) and the foreign language requirement at PSU, along with the third and fourth year coursework for the BA Criminal Justice major.

Advisors at RVCC will work with students to make sure that their English, Humanities/Fine Arts/World Language Mathematics, Science, and Free Electives will transfer in as a Direction and Math Foundations.

If a RVCC student has not completed the AS degree in Criminal Justice, then courses will be transferred in on a course-by-course basis. See Transfer Agreement.

\*three credits for IS 1111 become electives for transfer students entering with 24 or more credits

For all students, at least 50 percent of the total course work for the major must be at the 3000/4000 level. The Department of Criminal Justice does not award course credit for life experience or training.

The maximum number of transfer credits that can be applied to a PSU bachelor degree is 90.

The foreign language requirement for all BA degrees calls for 0-8 credits: one year of one language (6-8 credits); or one 3000/4000 level world language course (3 credits); or being a native speaker of a language other than English (zero credit). American Sign Language I and II fulfill this requirement; however, American Sign Language does **not** satisfy the Global Awareness Connection.
