Please return this form to the registrar's office in Speare via these methods:

In order for your degree to be awarded, you will need to submit this form. Except where otherwise noted, graduation dates reflect the last date of the term. Final audits begin after all grades have been posted for all courses in the term (not just yours) – this review process is not immediate. Diplomas are mailed approximately 3-4 weeks after the end of the semester and after verification that all degree and financial requirements have been met. All correspondence regarding your degree audit will be sent exclusively to your PSU e-mail address – you should be checking regularly. Students are encouraged to apply early, and applications are reviewed in the order they are received.

Student ID number is required! Omitting it will cause delays in processing – please make sure your correct number is listed.

Print your name exactly how it should appear on your diploma (including capitalization, special characters, suffix):
