

What is a Career Peer Advisor (CPA)?

- A student who:
 - Reviews student resumes and practices interview skills with students
 - Assists with career decision making, and introduce classmates to Career Services resources
 - Supports Career Services at job fairs, presentations, and other events
 - Participates in leadership and professional development training

Why become a CPA?

- Gain valuable leadership experience
- Learn about job search techniques and resources
- Develop transferable professional skills
- Help others while enhancing your own abilities and tools

Are you qualified?

- Sophomores or Juniors with a GPA of 2.7 or above are eligible to apply
- Must have availability to commit to 12 hours of training throughout the Spring semester and 3-6 hours a week to dedicate to working during the following academic year
- Friendly and motivated attitude with the desire to assist other students
