

WELCOME TO PLYMOUTH STATE UNIVERSITY

FACTBOOK 2013

Plymouth State University has a long tradition of meeting the evolving educational needs of the New Hampshire and New England community. Established in 1871 as Plymouth Normal School, the institution became Plymouth Teacher's College in 1939, Plymouth State College in 1963, and Plymouth State University in 2003. A founding member of the University System of New Hampshire, Plymouth State now serves New Hampshire and the New England region as a comprehensive institution of higher education. The university confers BA, BFA, and BS degrees as well as master's degrees, Certificates of Advanced Graduate Studies in selected areas, and the Doctor of Education. Professional outreach activities and graduate courses are offered throughout the state, and articulation agreements with other campuses of the University System and the Community College System of New Hampshire offer a variety of program and transfer opportunities. The University also contributes directly to the ongoing academic and cultural life of the region by providing a variety of continuing education programs, concerts and theater performances, art exhibits, and the athletic events of 20 varsity sports. PSU's attractive residential campus of wide greens, tree-lined walkways and traditional brick buildings with an array of towers is located in the White Mountains and Lakes Region of New Hampshire, a pristine rural setting of great natural beauty and multiple outdoor recreational opportunities within easy access of the New England region.

Mission

As a regional comprehensive university, Plymouth State University serves the state of New Hampshire and New England by providing well-educated graduates, by offering ongoing opportunities for graduate education and professional development, and by extending to communities partnership opportunities for cultural enrichment and economic development. In each of these roles, PSU has a special commitment of service to the North Country and Lakes Region of New Hampshire.

Values

The University motto *Ut Prosim*, (That I May Serve), underscores the values upon which the PSU mission is built. These values are supported by the faculty, staff, and administration through a commitment to excellent teaching based on scholarship, research and creative endeavor; active involvement in university activities; and service to the wider community. Plymouth State University emphasizes sustainability. PSU creates an environment that supports diversity, equity, and inclusiveness for the entire community and actively prepares students to participate respectfully and responsibly in a pluralistic society. PSU is committed to providing the best possible educational programming and therefore strives for continuous program improvement through comprehensive institutional assessment.

The educational philosophy of the University is based on academic excellence, learner-centered teaching, experiential learning, applied research, regional service, and leadership. The Plymouth State University education features a complementary relationship between liberal arts and professional studies, between academic and professional development, between service and individual growth, and between the University campus and the larger community.
