Winter/Early Spring Term Housing Agreement

Winter/Early Spring term housing is available for fall residential students who are remaining on campus for the spring 2021 term. Exceptions may be made at the discretion of Residential Life. Students requesting to stay for all or part of winter/early spring term are required to complete the Winter/Early Spring Housing Application. The application is available via a link under the “Forms and Policies” tab on the Residential Life web page. Students indicate their agreement and adherence to the below terms and conditions by including their PSUID number in the appropriate box on the application. Please print a copy of this agreement for your records and reference.

1. I understand that if I am staying on campus, for all or part of the Winter/Early Spring term I must complete the winter term housing application and that failure to do so 3 days prior to my arrival will result in a $50 late fee.

2. I agree to visit Student Account Services and pay the $300 winter term fee (and associated late fees where applicable) upon submission of this winter term application.

3. I agree to uphold all Residential Life and University policies as stated in the Lease Agreement and Res Life Policies and the Student Rights and Code of Conduct. In addition, I will respect 24-hour consideration hours. This means that noise will be kept to a minimum, and a request from a neighbor, staff member, or officer to lower the noise level will be respected and responded to immediately.

4. I understand that I must participate in any campus required COVID 19 testing regimens.

5. I understand that if I violate a policy, follow up will occur through the student conduct process which may lead to early cancellation of my winter term contract (without refund) and I may be asked to leave.

6. I understand that staffing is at a minimum during this period and assistance may not be as immediate as during the normal academic year.

7. I am aware that the Residential Life staff may not be available to me for assistance. I may need to contact University Police (911 for emergencies, 603.535.2330 for non-emergencies) for assistance related to community concerns, maintenance concerns, and/or lock-outs. If I am locked out of my room/apartment and call for assistance, I may need to wait for a period of time until the Residential Life staff member or duty officer is available to assist. If I lose or damage any of my keys, I understand that my student account will be billed accordingly.

8. If there is a maintenance emergency (such as a severe leak or overflow), I should call physical plant (603.535.2254) during business hours or the Maintenance Emergency Phone, 603.254.8407 (after hours or on weekends).

9. I understand that guests are not permitted during this time. Should a non-resident or another student (including roommates) be found staying in my space, they may be charged financially and may be asked to leave. Guest policy violations will be referred for follow up through the student conduct process.

10. I understand that keeping my door and windows locked at all times is a practice that promotes my personal safety and that of my belongings and living space.

11. Other campus services such as the Counseling Center, HUB, Campus Mail, Dining Services, etc. may not be available during this period or will have limited hours.

12. I will share in the responsibility for keeping my community safe, secure, and clean.

13. I understand that my space may be subject to periodic health and safety visits and that staff will announce themselves before entering.
