Welcome home,

We hope that you have remained safe and healthy during the extended break and are looking forward to another successful semester on campus.

As you are planning your trip back to campus* for the semester, we encourage you to review the information below to ensure the safest and smoothest move-in experience possible.

*Please note:
- Students currently residing on campus (break housing, athletes, etc.) ARE expected to follow this procedure to be formally checked in and receive their wristband.
- Housing assignments for new students will be emailed directly by the end of next week.

You must have a negative COVID-19 test* result in order to move in. Do not come to Plymouth to attempt to move onto campus without this, as you will not be granted access.

*Please direct all testing related questions to COVID19@plymouth.edu.

Upon arrival in Plymouth, proceed directly to ALLWell North via Field House Road (not North River Street) to begin the check-in process. Do not go to your residence hall/apartment. Signage and traffic direction will be in place.

At ALLWell, we will verify your negative COVID-19 test results, check you into your residence hall/apartment, and provide your first wristband of 2021.

- Students are encouraged to communicate with their roommate(s) to avoid arriving at the same time.
- Students are encouraged to pack lightly
- Students are limited to one (1) assistive individual.
- All students, staff, and guests will wear face coverings and practice physical distancing while on campus and in campus facilities

If your plans have changed and you are now wishing to either commute from home, or change your status to be fully remote, please let us know so we can share the appropriate paperwork, which must be completed before adjusting any housing fees.

If you have questions or concerns, please do not hesitate to contact our office by emailing reslife@plymouth.edu with your full name, PSU ID, and the nature of your concern. This is the best way to expedite communication, as our office is not always fully staffed based on remote work schedules. Please note that our phones and emails are extremely busy during this season, so we appreciate your patience.

**Enjoy the rest of your break. We’ll see you soon!**
