Plymouth Requirements	Credits	Gen Ed	Transfer Course (Title)	Credits	To Be Taken
ER 2300 Young Children's Learning and Development in Context	3				
ERSE 2500 Supporting Young Children with Exceptional Learning Needs	3				Spring
ERSE 3100 Early Intervention	3				Fall
ERSE 3300 Assessment and Evaluation in Early Intervention	3				Spring
ERSE 3600 Infant and Toddler Care and Education	4				Spring

The Certificate program in Early Intervention is primarily intended for professionals working in the field of family-centered supports and services (early intervention) who need more focused coursework related to infants, toddlers, and young children with disabilities. For example, a licensed physical therapist providing services for a toddler with disabilities might want to pursue more focused coursework on this age group. The Certificate does **not** lead to credentialing as an Early Interventionist, but does address many of the competencies needed for this credential.

Students in the Certificate program are eligible for federal financial aid. Up to two courses can be accepted for transfer credit in this Certificate.

The Certificate can be completed within three semesters, as follows:

Spring (1<sup>st</sup> semester):

ER 2300 Young Children's Learning and Development  
 ERSE 3600 Infant and Toddler Care and Education

Fall (2<sup>nd</sup> semester):

ERSE 2500 Supporting Young Children with Exceptional Learning Needs  
 ERSE 3100 Early Intervention

Spring (3<sup>rd</sup> semester):

ERSE 3300 Assessment and Evaluation in Early Intervention
