-------------------------------	-----

*three credits for IS 1111 become an elective for transfer students entering with 24 or more credits

The maximum number of transfer credits that can be applied to a PSU bachelor degree is 90.

Plymouth State University CURRICULUM PLANNING GUIDE with APPLICATION of TRANSFER CREDIT

WMCC students coming to PSU must have grades of C or better in each of their courses and a minimum 2.0 cumulative GPA in order to transfer into the PSU BS in Business Administration under this 2+2 agreement.

WMCC students who have completed the AS degree in Business Administration with one course with a grade of C- or below, may retake that course during the summer preceding entrance to PSU and still be accepted at PSU under this 2+2 agreement, if she/he earns a grade of C or higher.

WMCC students who complete the AS degree in Business Administration will need to take at least five more General Education classes (Creative Thought Direction, Past and Present Direction, Scientific Inquiry Direction, Self and Society Direction, Wellness Connection) and the third and fourth year coursework for the BS Business Administration major.

Advisors at WMCC will work with students to make sure that their Elective, Humanities Elective, and Science Elective will transfer in as a Direction course at PSU and that Calculus I will be taken as their Math Elective.

If a WMCC student has not completed the AS degree in Business Administration, then courses will be transferred in on a course-by-course basis. See Transfer Agreement.

WMCC courses that satisfy PSU Past and Present Thought Direction (PPDI)

BCRM 110 Terrorism
BHIS 211 American in the 20th Century
BHIS 213 United States in the Great Depression
BHIS 214 Western Civilization I
