To be accepted as a Music minor a student must meet with the Department Chair and must perform an audition on the preferred instrument or voice.

Music minors are required to attend 50% of the Music, Theatre, and Dance Department afternoon Student Recitals as well as the Music, Theatre, and Dance Department Fall Convocation. They also must attend three additional professional level events each semester. Performance in a student recital once a year is encouraged.

Students should see the Music Student Handbook (available in the Department office) for detailed descriptions of Performance Studies and Jury Exam requirements for each instrument. Jury Exams are performed at the end of each regular semester, and advancement to higher levels of Performance Studies is dependent upon a successful level-change Jury.

Students whose Performance Studies area is keyboard will substitute two credit hours of Music (ME/MU) electives for MU 1150 and MU 1160.

MU 1160 requires a minimum grade of C in MU 1150.

MU 1220 requires a minimum grade of C in MU 1210.

Note 1: Students with a minor must complete six credits of upper-level courses outside the major discipline.

Note 2: For a second or subsequent minor, at least nine credits must be different from the major or the first minor.
