Total required for the degree 120

*three credits for IS 1111 become electives for transfer students entering with 24 or more credits

The foreign language requirement for all PSU BA degrees calls for 0-8 credits: one year of one language (6-8 credits); or one 3000/4000 level world language course (3 credits); or being a native speaker of a language other than English (zero credit). American Sign Language I and II fulfill this requirement; however, American Sign Language does not satisfy the Global Awareness Connection.

If a NCC course satisfies a PSU requirement, the NCC General Education Group this is satisfied is noted in brackets, e.g., [A], on the following page.
NCC students coming to PSU must have grades of C or better in each of their courses and a minimum 2.0 cumulative GPA in order to transfer into the PSU BA Psychology.

NCC students who have completed the AA degree in Liberal Arts, Psychology Concentration, with one course with a grade of C- or below, may retake that course during the summer preceding entrance to PSU and still be accepted at PSU under this 2+2 agreement, if she/he earns a grade of C or higher.

NCC students who complete the AA degree in Liberal Arts, Psychology Concentration, will need to take at least four more General Education classes (Self and Society Direction, Integration Connection, Technology Connection, and Wellness Connection) and the third and fourth year coursework for the BA Psychology.

Advisors at NCC will work with students to make sure that their General Education Electives will transfer in as PSU Direction courses and foreign language.

If a NCC student has not completed the AA degree in Liberal Arts, Psychology Concentration, then courses will be transferred in on a course-by-course basis. See Transfer Agreement.
