| Complete <b>one</b> of the following:                            | 3       |            |                         |         |             |
| PS 3560 Adulthood and Aging                                      |         |            |                         |         | Falls       |
| SW 3050 Perspectives on Aging                                    |         | WECO       |                         |         | Spring      |
| Complete <b>one</b> of the following:                            | 3       |            |                         |         |             |
| HE 3220 Applied Nutrition for Healthy Living                     |         |            |                         |         |             |
| SW 3500 Health and Society                                       |         | GACO, WECO |                         |         | Falls       |
| Complete <b>one</b> of the following:                            | 3       |            |                         |         |             |
| HE 3230 Promoting Health Across the Lifespan                     |         |            |                         |         | Falls       |
| HE 3240 Health Promotion Planning and Evaluation                 |         |            |                         |         | Falls       |

Psychology majors and Social Work majors can take no more than three credits in their discipline for this minor.

*Note 1: Students with a minor must complete six credits of upper-level courses outside the major discipline.*

*Note 2: For a second or subsequent minor, at least nine credits must be different from the major or the first minor.*
