Completion of both the Dance Minor and the following courses (some of which can also count toward the Minor itself) also completes the Dance Pedagogy curriculum. This curriculum is based on the Curriculum Standards set forth in the National Dance Standards for Dance Education and the New Hampshire K-12 Dance Curriculum Framework. While completion of this curriculum does not lead to any specific teaching certification, the student who completes it will possess the requisite competencies to teach dance in a variety of settings.

| DN 3100 Movement Concepts for Dance Education | 3 | Even Springs |
| DN 3270 Advanced Modern Dance | 3 |             |
| DN 3320 Dance Composition | 3 | Springs     |
| DN 3360 Advanced Ballet | 3 |             |

In addition, students may choose an Interdisciplinary Studies major to combine coursework in Dance with another area or areas.

**Note 1:** Students with a minor must complete six credits of upper-level courses outside the major discipline.

**Note 2:** For a second or subsequent minor, at least nine credits must be different from the major or the first minor.
